## TERMS OF REFERENCE OF NOTICE ADVERT BOARDS

### BACKGROUND AND REASONING

The advert boards are the results of several attempts from the municipality informing prospective buyers of extension 2 township to settle land sale debt and transfer their properties.

The land sale debt has been outstanding for over 20 years that has left Mbizana Municipality with no options but to seek legal actions because the matter is costing municipality. Before the municipality can take these legal actions, the municipality would like to display these notice boards around the extension 2 and CBD for every prospective buyer to see the notices.
