

2018

Printer Specification

March 2018

Mbizana Local Municipality

1. Purpose of the Terms of Reference (ToR)

The purpose of this bid is to find a suitable service provider that can supply the Municipality with the specification hereunder.

Since not all requirements can not necessarily be fully defined, an exact or equivalent response to the specification is encouraged.

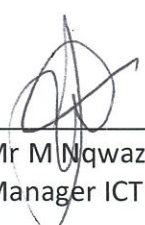

2. Objectives

The primary objective of this bid is to invite suitably qualified and experienced ICT service providers who primarily or whose core business is Office Automation to submit proposals to the Mbizana Local Municipality to supply.

3. Specification for color printer

The bidders are requested to provide a higher capacity solution that is closely matching or equivalent to what is specified below.
